MULTILINK MANPOWER RECRUITING SERVICE (MMRS)

GOVT. APPROVED RECRUITING LICENCE NO. : 1282

Preface

M/s Multilink Manpower Recruiting Service (MMRS), the main concern of MULTILINK Group, specializes in recruiting skilled workers and professionals taking advantage of the Bangladeshis' distinction as the best pool of cost effective skilled/unskilled labour force for overseas employing companies.

The People's Republic of Bangladesh was born in December 16, 1971 after a nine-month long struggle for independence. Nestled among the North- Eastern part of the South Asian subcontinent between the Eastern Himalayas and the Bay of Bengal this deltaic plain is a land of sublime beauty and greenery. The country is enjoyable a good measure of natural resources.

Bangladesh is a very densely populated country. Its huge population puts an enormous strain on the country's limited resources. The people of Bangladesh struggle hard for economic survival. They strive to improve their living conditions. A population of more than 170 million and limited economic growth make jobs in this country extremely scarce. This scarcity drives the Bangladeshi workers to work with sincerity and devotion in the event of securing a job.

The Bangladeshi culture puts great emphasis on polite behavior and showing respect towards elders. Bangladeshi workers are hard working for economic development. They easily and effortlessly adjust themselves to new surroundings and unfamiliar working conditions. Given a job Bangladeshi's strive hard for excellence and soon drive the company towards higher productivity, profit and growth.

We are committed to study and understand the need of the employer carefully and then search and select the finest employees from the local human resource market abiding by all rules and regulations of Bangladesh and the Government of the country of employment.

About Us

Our Story

Through the years, Multilink Manpower has come to be known as the most dependable and competent, full-service Bangladeshi recruitment agency worldwide. With the recruitment of over a fifty thousand skilled professionals abroad, it has supported more than Five hundred organizations around the globe. “There are huge challenges in today's highly competitive overseas recruitment and we have to ensure through our service that we are holding the top leadership position in Bangladesh manpower recruitment sector”

The mark of any construction company lies in the quality of service it delivers. The quality must always be solid, professional, and positive. That is what a potential customer is looking for, which we provide in a very efficient manner. If we are your choice then you have made the right decision. We are keen that you are involved in the decision-making process from inception through the detailed design. We know that our customers have high expectations of us and we strive to take our customers for granted. Over the years, we have enjoyed an outstanding amount of repeat business from our clients as we endeavor to make them customers for life.

It is my pleasure to introduce our Manpower Exporting Organization **M/S Multilink Manpower Recruiting Service (MMRS)**, which is one of the leading Government Approved Recruiting Agencies of Bangladesh, registered under the Ministry of Expatriates' Welfare & Overseas Employment provided Recruiting Agency Licence No -1282. Over the last 18 years of our sincere and dedicated services we have been considered nationally and internationally as top quality, trusted and reliable Manpower Exporting Agency of Bangladesh.

M/s Multilink Manpower Recruiting Service (MMRS), maintain its reputation in placing professionals, technicians, skilled, semi-skilled as well as unskilled workers specially to Qatar, Oman, K.S.A., Kuwait, U.A.E., Bahrain, Malaysia, Brunei, Maldives, Singapore, Mauritius, Seychelles, Canada, USA, Australia, Germany, Portugal, Malta, Poland, Roamina, Serbia & others European Countries under different categories, according to the need of the employer. We are also committed to understand the needs of the employers' requirement and select carefully efficient workers according to the employers' satisfaction.

In my professional experience in the field of manpower export of over 18 years, I always believe in the commitment to build up professional business relationship. We are looking forward to work with your elite organization in accordance to your requirement from Bangladesh.

We have our own training & testing center with huge area & enough Instruments.

Sincerely,

Mohammad Ershad Ullah

Managing Director of Multilink Group

Proprietor of M/s Multilink Manpower Recruiting Service (RL-1282)

Director's Message

Multilink Manpower Recruiting Service's work, to match the right people to the right job for connecting to the right place has helped us to amass over 18 years of successful stories in the human resource business.

Each client and candidate is like an extended family member to us. We understand and anticipate your needs, matching the right candidates to the right clients.

Our professionalism, coupled with a strong personal touch enhances the probability of success at every step. Our goal is to create a long-lasting client-candidate relationship, which will translate into long-term winning strategies and exponential growth for both parties.

But we know that finding a candidate with the right skill set is not the be-all and end-all. At **Multilink Manpower Recruiting Service**, we understand that the overall chemistry between the candidate and the existing management is paramount in ensuring a good match.

Consultants are empowered with the final authority and flexibility to deal with each client's requirements. In our commitment to finding the best match, we customize our approach, and processes not only from client to client but also from the assignment, all the while keeping underlying principles common.

To ensure success, we believe in hiring people with the right values and specialized experience. If you wish to find out more or engage with our manpower solution, please do not hesitate to contact us. We look forward to having you as a part of the **Multilink Manpower Recruiting Service** family.

Sincerely,

Abu Zafar Md. Saleh (Masud)

Our Activities

Employment Solution all over the World

Overseas Recruitment from Bangladesh

We are amongst top overseas recruitment agencies in Bangladesh and have in-depth experience in working on sourcing Bangladeshi Talent for international assignments in Middle East, Asia-Pacific Africa and rest of the world. We understand the intricacies of overseas recruitment services.

Taking the knowledge we already have and combining it with insights from the countries where the position is to be located also helps reaffirm the assignment brief. It ensures we see the 'big picture' as well as the attention to detail and promotes confidence in our ability to represent clients in every major market around the world.

Local Recruitment for Bangladeshi Company

To help you meet your evolving recruitment needs, we offer simplified recruitment solutions for your job vacancies. We cater permanent placement from rank and file to managerial positions across all functions: IT, HR and Administrative, Business Support, Engineering, Construction and Logistics, Banking and Finance, and Manufacturing.

We also find top performing executives to fill high level positions in your company. Each search is treated with utmost confidentiality and objective input. We make sure to match the candidates' skills set with your requirements and job vacancies, even those not commonly available in the job ad market.

Corporate Recruitment Service

We are offering a team of experienced headhunters and efficient and proven recruitment techniques that allow us to identify the best suited candidates for you. Combining unparalleled experience, comprehensive capabilities across many industries and business functions we collaborate with clients, work as a trusted advisor to help them make distinctive, lasting, and substantial improvements to their performance by recruiting the right talent for their business. With several hundred successful recruitments, you can rest assured that we can help you.

Manpower Clearance

We are a prominent name engaged in providing Manpower Clearance services to our clients. With our in-depth knowledge of the process and ethical business practices, we are able to help our clients in the best possible manner. We are proud to introduce ourselves as the foundation of being one of the largest immigration service providers of the country as delivering excellence is a legacy that has been handed down to us by the previous generation. Our Immigration Clearance services starts before the flight and continue after the flight so that the services are suited to the needs of each individual client.

Air Ticketing & Reservation

We provide ticketing solution for airline flights. No matter where you are – staying at home or outside, you complete the booking procedure online at any time. We are connected with large number of service providers and with the aim to represent the available best options to satisfy your travel needs. Compare the required services from several providers and select the best deals for you. If you are not confident enough to decide the best solution for your travel needs, our support may help you on this regard. Not only that if you require a custom travel package, we may have the option to offer you an excellent deal.

Student Consulting to Overseas Country

Multilink Student Consulting prepares its members for real world business experience not only by teaching the theory, but through practice as well. As a consultant, project manager, or executive board member, our members are given opportunities to get experience only professionals have. You will meet with real clients & business owners, work with a team to deconstruct and understand real business problems, and deliver results that will have a lasting impact.

Our interview process is meant to examine each applicant's ability to work on a team, think analytically, conduct in-depth research, and work with a client.

Outsourcing Services

We are tailored so that we can help you business meet challenges you facing in this fast-changing business community. Through our professional agents and expert team, we are always particular in understanding processes and assignments offered to us. We help our clients look for effective staffs. We help them solve employment problems. Additionally, we provide administrative management of momentary employees such as in terms of benefits, payroll administration and HR management.

Right Management

Manpower Group Solutions, Career Management Consulting, Jobs for Nationalization.

In a market that is unpredictable and job security potentially uncertain, we offer a job assistance programme, providing the necessary tools to make the job search more effective, productive and faster – designed to support the transition of change for job seekers. We focus on areas of development or improvement providing Outplacement Support, Graduate Support and 1-on-1 Career Consulting. Through consultation, we will package a job readiness solution in line with your need, designed to improve confidence, morale and increase employability.

RESOURCE OF WORKFORCE

Bangladesh is one of the most populous countries of the world. The country is rich in Human of skilled, semi-skilled and unskilled manpower. The nation has a thirty five million workforce among the population of approximately one hundred Seventy million.

Since time immemorial, Bangladeshis have distinguished themselves as sincere and hard working people in the countries across the Asian and rest of the world. They have also earned reputation as gentle honest and good workers by their efficient services and unflinching devotion to duty for decades in the countries such as UK , USA, Middle East and Europe . They have achieved high grade for their commitment to responsibility and flexibility to adjust to changed working environment.

Moreover, Bangladesh workforces have created a place of eminence in the manpower map of Islamic World such as Saudi Arabia, Gulf region, North Africa and South East Asia. Over three million workers from Bangladesh are working in the countries of the Islamic World. They have been successfully employed in various jobs ranging from those of the unskilled and skilled workforce to those of sophisticated professionals such as engineers, doctors, nurses and teachers and in IT etc. Those qualities emanate from their inheritance of a blend of rich Islamic and Bangladeshi culture and placed them in good stead under most trying circumstances.

The manpower export trade has developed tremendously in Bangladesh over the year. The country is highly populous. Its per capital income is one of the lowest in the world. Huge number of labour force can be gathered at short notice and made ready for dispatch. The dispatch is quick. Their adaptability to changing working conditions is excellent. They are amenable to discipline. And above all, their productivity is beyond question. The employers everywhere are happy with their services.

Again, the Bangladesh workforce is also cost effective for the employers. They produce more at less cost. Their sincerity and devotion to duty are unquestionable. Since Bangladesh is a tropical country having different climate in different seasons, its workforce can adapt them to any climate condition in the shortest possible time. That has put them in high demand simultaneously in the east and west.

Bangladesh is well connected by air with the countries receiving the work force. Almost all major airlines connect it with the West and the East. Besides, Biman Bangladesh Air-lines fly from New York in the West to Tokyo in the Far East. Therefore, dispatch of work force to any direction is quick and as much timely and smooth.

RESPONSIBILITY OF THE RECRUITING AGENCY:

M/S Multilink Manpower Recruiting Service (MMRS) prefers selection of workers by the employer's representative. In this regards **MMRS** will extend all facilities to the employer including arrangement of trade test, if required for selection of technical people **MMRS** may also be entrusted with this responsibility, that they can ensure selection of the right person for the right trade as per criteria given by the employer.

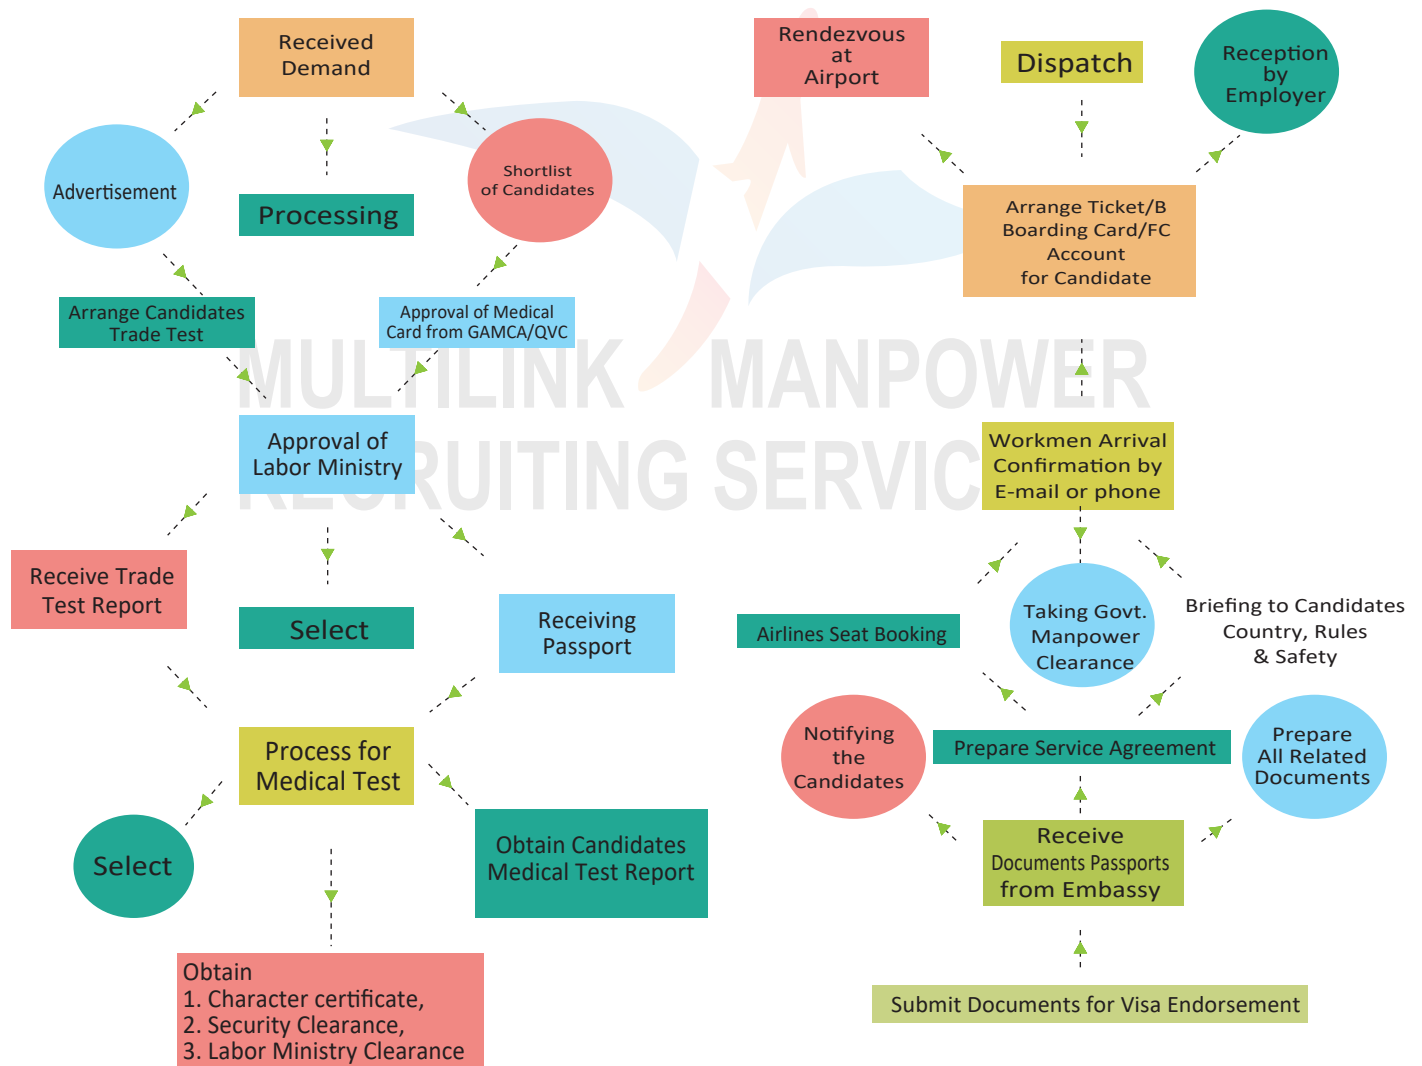

MMRS performs the following activities:

- Obtain recruitment permission from the Government agencies.
- Advertisement in reputed daily newspaper calling applicants, if necessary.
- Collection of application
- Primary selection by our experts.
- Conduct final interview by employer's representatives.
- Obtain passports for the selected candidates.

Multilink Training & Testing Center

(For Technical Training & Testing)

Multilink Training & Testing Center (MTTC) is a renowned training institute in Bangladesh – is one of the leading and well established and government recognized organization. The institute is training to prepare unskilled hands into skilled and produces competent and qualified persons for both the local and international market. It may also provide opportunities for other career paths. MTTC specially take care of the students on the practical aspects while basic theories, soft skills of entire training process. We have a large database of highly experienced and hardworking professionals in the skilled, semi-skilled and unskilled categories.

Training Categories

Administrative Training

This course gives you an excellent base of administration focused skills that you can easily transfer into the workplace. It has been designed to help those seeking a career as an Admin Assistant, Office Assistant, or Secretary for example. You'll gain the professional skills that employers seek out in their employees.

Construction Courses

Studying building and construction courses can lead to a variety of career opportunities in the construction industry, including working for large and small construction firms or even running your own business.

- Welding – 6G
- Welding – TIG
- Welding – MIG
- Gas Welding
- Fabrication (Pipe/Structural)
- Ship Building Fabrication
- Grinder
- Industrial Pipe Fitting
- Sand Blasting
- Painting (Auto/Spray/Industrial)
- Scaffolding
- Rigger
- Machinist
- Mechanic (Diesel/Petrol)
- Auto Electrician
- Electric (House Wiring)
- Electric (Industrial)
- Refrigeration & Air-Conditioning
- Mason (Plaster & Block)
- Mason (Tiles Fixing)
- Mason (Marble)
- Rod Binding (Steel Fixing)
- Shuttering Carpentry
- Finishing Carpentry
- Plumbing (Pipe Fitting & Sanitary Works)
- Painting (Building)
- Wood Polisher
- Duct (Fabrication/Insulation/Erection)
- Aluminium Fabrication
- Fibre Glass Technician
- Gypsum False Ceiling
- Sofa Making
- Garments Machine Operating (Sewing)
- Cleaning
- Language Learning (Hindi, Arabic & English)

Civil & Architect Courses

In Architectural and Civil Engineering Technology program, students learn a basic background in design, structural engineering, site management and engineering software through a combination of classes and practical training.

Equipment/Vehicle Courses

Heavy duty equipment technicians work on industrial and construction vehicles, such as mining trucks and bulldozers; on heavy equipment used in construction, forestry, materials handling, landscaping, and land clearing. Heavy duty equipment technicians overhaul, repair and service equipment such as graders, loaders, shovels, tractors, trucks, forklifts, drills, and wheeled and tracked vehicles. Working from manufacturers' specifications, they identify and repair problems in structural, mechanical, or hydraulic systems.

Electrical / Electronic Engineering

Electronic and Electrical Engineers are highly employable and can find work in many areas, including the electronics, automotive, IT, telecoms, manufacturing, power, transport, utilities and construction industries. Designed in collaboration with industry, our accredited degrees aim to meet the growing demand for talented engineers in fields from aerospace and mobile phones to healthcare and renewable energy.

With programs designed in collaboration with industry, you'll be gathering the skills that employers need.

Mechanical Operator

Machine operators, also known as machinists or tool and die makers, work with heavy machinery from setup to operation. Machine operators might work with computer-controlled equipment or more mechanically based machines to make sure they are set up properly, working well, and producing quality product. Machine operators make sure their machines are working at full capacity, are stocked with needed materials, well-maintained and perform periodic checks on output.

Garments Courses

Garment technology, as the name implies is a discipline where you learn about the different technical aspects of production of garments. The course is designed for those who have never had any exposure to industry level sewing, but wants to make a career in this field. You look after the technical aspect of production of garments. A fashion technologist will design the new dresses, but it is a garment technologist who decides if the design can actually be created. You also choose the best method for creating the garment and may modify the design as necessary by practical limitation. Overall, a person specialized in garment technology looks after the technical aspect of creation of the garments in addition to acting as a consultant to fashion designers and marketing personnel.

Hotel/ Tourism Courses

Hotel/Tourism is very popular industry which allow for travel and career development through continual for training of employees and managers. Training and courses enable hospitality and leisure staff to acquire professional qualifications in the areas of hotel, travel, events, culinary, arts, retail, catering, and extends to management and marketing.
